DEPOSIT AND BOOKING DETAILS:

If you are reserving your All-Inclusive wedding, MOON DANCE CLIFFS necessitates a 10% deposit. If you are having a European Plan (rental only) event, a 20% deposit is required. We are happy to hold your wedding date and rooms for 7-days before receiving the full deposit. This deposit becomes non-refundable 180 days (six months) prior to your date of departure. If you cancel outside 180 days (six months), we will refund your deposit, less a 3% processing fee. 90 days (three months) prior to travel, every villa and room in your guest block must have at least 50% down to ensure the reservation. Any villa or room that does not have 50% down will be released from the group block. These 50% deposits are non-refundable. Final payment is due 30 days (1 month) prior to your date of departure.

Wedding parties that do not meet the 3-night, 20-room minimum for the free wedding will incur an additional fee, due 30-days prior to travel. Included in this fee are your license and paperwork, ceremony, Officiant, and the services of our on-site wedding coordinator. Groups of 4 or less guests will be charged a flat-fee of \$500 and groups up to 19-rooms will be charged an additional \$1,200.

After we've received your deposit, you will be put in touch with our on-site wedding coordinator so you can start planning! You will also receive a suggested payment timeline to aid you in letting all your guests know what their deposit and payment responsibilities are.
