5 REASONS TO HOST YOUR DESTINATION WEDDING AT MOON DANCE CLIFFS

LET MOON DANCE DO IT ALL FOR YOU!

You tell us about your dream wedding and Moon Dance, led by your complimentary wedding coordinator, implements all the details to your specifications. This makes for a stress-free planning process. Your dedicated wedding coordinator will liaise directly with all your Jamaican vendors: the florist, band, DJ, bakery, and all the other vendors you would normally have to deal with on your own. Throughout your wedding planning process, your Moon Dance wedding coordinator will provide attention, answers, and suggestions.

HOST A FANTASY WEDDING ON A REALISTIC BUDGET!

Planning a big city wedding can cost upwards of \$40,000. Moon Dance Cliffs offers two different rate plans, All-Inclusive or European (Accommodations Only), to cater to your group's needs! You can plan a luxury wedding for a few thousand dollars that will include your accommodations, your food and beverage, and the additional wedding amenities you desire. Once you have reserved your block of room, your guests will contact us directly to pay for their own stays.

A UNIQUE OPPORTUNITY TO VACATION WITH FAMILY AND FRIENDS!

The opportunity to vacation with all your friends and family doesn't come often. Your Moon Dance destination wedding will be an unmatched opportunity to spend quality time with those you care about the most! With plenty to do at Moon Dance and in Negril including snorkeling, scuba diving, cliff diving, swimming, golf, spa outings, and fishing, there is something for everyone in Jamaica. Our concierge and wedding planners will be happy to arrange any events or excursions that you and your guests may desire.

THE ATTENTION IS RIGHT WHERE IT SHOULD BE—*ON YOU!*

Hosting a destination wedding helps prevent the drama of family and friends trying to make decisions about your big day for you. At Moon Dance, simply tell us what *you* want and we work hard to ensure it happens.

A BALANCE OF ACTIVITY AND RELAXATION

Hosting all your friends and family in one place can be a hectic experience; sometimes it's nice to have a chance to get away and pamper yourself. Our on-site spa, **kamala**, gives everyone the opportunity to relax and rejuvenate. With a full menu of services, **kamala** offer services in the salon, spa, by the pool, on the cliffs, or (for the ultimate private experience) in your room or villa.
