Moon Dance Cliffs provides dining options across the property. Annie's Restaurant offers gourmet dining with stunning vistas, while the Sports Bar offers contemporary fare in a lively setting. The pool bar serves drinks in and around the pool, so you never have far to go to refresh your glass with a signature Moon Dance cocktail!

Set on the westernmost tip of Jamaica, Moon Dance Cliffs is Negril's newest luxury boutique resort and spa. Room choices include Caribbean View, Deluxe Jacuzzi, Executive one-bedroom suites, Prime Minister two-bedroom suites, and Royal Villas. Every spacious room on the property offers stunning, direct views of the Caribbean, modern furnishings, and deluxe baths. Guests of the Royal Villas enjoy private outdoor rooms with Jacuzzis and the options of stocked wet bars and private butler service.

With a swim-up bar, waterfalls, bridges, Jacuzzis, and plenty of lounge chairs for everyone, the pool is the center of activity at Moon Dance Cliffs. If the pool is too quiet for you, jump-off the cliffs and snorkel in the crystal clear water or let the on-site Concierge arrange a sunset cruise for you! If you want to escape the Caribbean sun, let the staff at Kamala, our spa and salon, indulge you in massage on the sunset deck.
