## GUEST TESTIMONIALS MOON DANCE CLIFFS

2010

**September 2009 Wedding  
Nikki and Warren**

“I just got back from our wedding and honeymoon in Jamaica and want to thank you and your team for providing us with a wonderful experience!

Kim Conway was extremely helpful in coordinating the reservations and requests for my family. Kim was quick to respond to our questions and requests and was always professional and cheerful. She took great care of us before our trip to Jamaica and we really appreciate her efforts.

Kerry was our on-site wedding planner and did a phenomenal job! We had to plan this wedding from Texas and I was a little nervous about not being able to see the decorations or taste the food beforehand. Kerry kept me posted with all details and provided me with ideas through out the entire process. She was extremely patient as I changed my mind often and had many questions. She added additional touches to the decorations and really helped me with getting things prepared. The wedding was perfect and was better than I expected it to be. Kerry and the staff put forth a lot of effort into making this an event to remember.

The staff was available for all of our requests and treated us like family. Although we were the last guests there as the resort was prepping for closing during September, the staff remained attentive to our group. Camille (Ann's Restaurant) actually went to the store on her time off and got my father cereal as she heard him mention it in passing. I haven't received this level of service in 4 or 5 star hotels.

We ended up going to the Sandal's Grand Ocho Rios Resort for the last portion of our honeymoon. I have to admit that they do not hold a candle to your resort. The rooms need much updating (do not compare to your rooms and technology) and there is a commercial feel all around. The food was average and we ended up wasting money going out to eat most of the time. For what they charge, they could take lessons from your facility! You have got a best kept secret in Negril.

We cannot wait to return to your resort next year (and years to come) and get pampered all over again. Please let me know if you have other properties as you have just made customers for life!

Please thank your staff (give them bonuses!) for all of their hard work!”

“Well, I don't know where to start. Everything was so amazing!

First, the staff and accommodations were 5 stars +. Everyone from Richard to Doilette were supportive, loving, and accommodating with any requests that anyone had not just what I wanted. Then there was Kerry, our wedding planner. I appreciated her amazing organizational skills, and the way she took my vision for my wedding and made it happen. From the way she cared so much about me and my family and friends to the perfect color of the napkins and the blue martinis, everything was perfect. She took my vision and added special touches which were exactly what my Perfect Wedding in Paradise needed.

Once again, thank you from the bottom of my heart for creating the wedding of our dreams!”

“I just wanted to send you a quick email letting you know how much we enjoyed our trip to Moon Dance Cliffs. We had our wedding there the weekend of March 13<sup>th</sup>, and it couldn't have been more perfect!

The rooms were very clean and spacious and the food was great! Best of all we loved the staff. Everyone was so friendly and welcoming. We really felt like they treated us as part of their family. The service was just unbelievable. Kerry, the wedding planner, was great too! She was so easy to work with and took care of absolutely everything.

We are so happy that we picked Moon Dance Cliffs for our wedding. It couldn't have been a more perfect vacation.”
