TESTIMONIALS

There are simply few words to describe the experience MOON DANCE provided to my now husband Jon, myself, and our 100 guests. We booked all the villas and spent a fabulous week with four events leading up to the wedding. They will arrange Jerk barbeques on the beach, picnics with tiki torches, live music bands at your table, and almost anything you can imagine on a beach. It was a lifetime of amazing memories! Linus (our planner and commander-in-chief) took great care in all the details and allowed my husband and I to relax, lie back, and just have a great time. MOON DANCE will spoil any luxury traveler with high expectations. Whatever you want you can get— active or passive, private or public, luxurious or rustic. It's just amazing.

I wanted to thank you from the bottom of my heart. Thanks so much for making our "weddingmoon" a true fantasy. Everything was exactly how I had pictured it and more! You truly made it a memorable experience. We are already planning our next vacation to MOON DANCE. The upgrade to the five bedroom villa was absolutely fabulous. The staff at MOON DANCE is topnotch! I will be recommending MOON DANCE to everyone. Everyone was so professional and performed their jobs with such ease. It was incredibly organized and everything was planned perfectly. Thanks again for a fantasy vacation/wedding! We will be back soon.

A great big Texas "THANK YOU" to you and your staff for the great job you did in planning and carrying out the most perfect wedding for Keri and Max and the most amazing vacation for all the guests. We are still talking about what a wonderful time we had and all the great memories that will be with us forever.

We really appreciate all the help you gave us in the planning stages months before the weddings. You were so informative and helpful in letting us know what needed to be done. Every recommendation you gave us (from the photographers to the band) met our expectations and beyond. Thanks for being so patient as we bombarded you with questions in the months leading up to our visit.

Thanks again for a great wedding and vacation that every single guest enjoyed! I hope we can come back to MOON DANCE and see you and your fantastic staff again."

We would like to thank you and your entire staff for the superb visit we had at MOON DANCE VILLAS

this month. My daughter's wedding was an excellent, exciting affair. Your accommodations deserve all the high praise they can get, especially the staff: Mark, Cherry Ann, Sheri, Serge, Connie, and Sonja to mention a few. Of course Linus was terrific and conducted the staff like a true expert and professional. We will be sure to recommend your facility to all we come in contact with.

Our stay at MOON DANCE was amazing. The place was even nicer than the pictures. The food was great and the staff was incredible. They made us feel like family. We had never been to a place like this; all of our friends and family want to go back. We stayed at the Ritz-Carlton in Montego Bay for the second half of our trip. The Ritz was also very nice, but didn't compare to MOON DANCE...Thanks for all of your help over the past year!

Shannon and I wanted to thank you for all your help in setting up a great vacation and wedding for us. All of our guests loved the resort. You definitely delivered a great place unlike any other resort in Negril. The group has already started the "MOON DANCE Vacation Fund" to start saving money for the next vacation. We had a blast. The staff at your resort is amazing. Glen, Robert, Polly, Apple, and Dale were in our villa. They were even better than we had hoped. They are great people and we really enjoyed our time with them. There will be many repeat visitors from our crew.

Roland and I had the most amazing time at MOON DANCE VILLAS and our wedding was just perfect!! We have two weeks of wonderful memories instead of one or two days, so we are very fortunate.

I had an image in my head of the resort but nothing like what it was like in reality. It is hard to describe MOON DANCE to people. I think the resort is beautiful but it is definitely the staff that makes MOON DANCE the wonderful treasure it is. I don't think I have ever found a place where the people are nicer, than the "crew" at MOON DANCE.

I definitely plan on returning to MOON DANCE VILLAS, as it was a fantastic trip. Again, Linus a huge thank you to you and your staff for the most amazing wedding and honeymoon we could ever have had.

Jack and I would like to extend our heartfelt thanks to you for putting on the wedding of Tami & Kevin's dreams! We would also like to thank you for the extra special care extended to my elderly parents and our little grandson—your staff took excellent care of them! Glenn, Mark and Polly anticipated the needs of everyone and seemed to know when and where to be visible and available. Kudos to all of them, in addition to many other staff members, for being extremely helpful in so many ways.

We have stayed at some pretty fabulous places, but MOON DANCE is second to none! Jack and I really enjoyed our days there alone together after we moved to Lilac Mist and felt as if were honeymooning once again! Although the celebration of the wedding with the beach barbeque, ceremony, and reception was our main focus, it certainly was great to say goodbye to the family and have much needed time together!
